## REGULATIONS BROCHURE UPDATE

The Pyramid Lake Paiute Tribal Council has approved the temporary seasonal change to the Regulations Brochure for the decrease in footage for parking and camping at Pyramid Lake. Per the PLPT Regulations Brochure, para 1.18.9 and 1.22.3 parking and camping requirement is 100 feet from the lake shoreline. Due to the changing lake levels at Pyramid Lake, the 100 foot parking and camping requirement has temporarily been changed to 50 feet. This temporary change is in effect until September 30, 2019.
